

## Microsoft® Certified Partner 2006

Working with a Microsoft Certified Partner means working with the best. Microsoft partners achieve the highest levels of technical expertise within their specialty, certified and proven through Microsoft's extensive certification process, made even more thorough for 2006.

Acumence is entering its 9<sup>th</sup> year of certification. Serving the manufacturing industry, we're in good company with other Microsoft Partners such as Honeywell, Invensys, GE Fanuc, Rockwell Automation, SAP/Lighthammer, and Siemens.

Microsoft Certified Partners encompass a broad range of expertise and vendor affiliations and their real world perspective can help you prioritize and effectively deliver your technology solutions.
